

Help! How do I introduce rocketry to my group?

NOTE: Fill out this short form and email it to sales@fliskits.com and we will help you select the best rocket and best program for your group.

Your name: _____

Your school or youth group name: _____

Address: _____

City, State ZIP: _____

Daytime Phone: _____

Evening Phone: _____

Email: _____

The following questions will help us to understand more about what you are trying to do and about the group you are trying to bring rocketry to.

_____ Number of kids in your group

_____ Age range of your group

_____ Are you building as a group?

_____ Are you launching as a group?

_____ Do any of the kids in your group have prior experience with rocketry?

_____ Do YOU have prior experience with rocketry?

_____ Do you know of any other adults with rocketry experience?

_____ If so, how many years experience do they have?

_____ Do you know of any other children with rocketry experience?

_____ If so, how old are they and how many years experience do they have?

_____ Do you have a budget in place (or in mind)?

_____ If you know, how much are you planning on spending per kit (or child)

_____ Do you have a source for model rocket motors?

_____ Do you have a source for building supplies?

_____ Would you and your group be interested in building a launch pad?

_____ Would you and your group be interested in building a controller?

_____ Do you have a suitable field for the launch?

_____ Have you reviewed all of the Educational pages and product pages on our web site?

Submit this questionnaire and we will get back to you with information to help you proceed in your planning. We should be able to respond to your request within 2 business days and encourage communication throughout your planning and implementation of your rocketry program.
